MetaCare is seeking to fill a Part-time Nurse within our diocese. Ideally a retired nurse who is still driven with compassion and care for our clergy and does not want to practice clinical or bedside care. This role does not include hands-on clinical care or heavy lifting. It focuses on coordinating schedules for preventive care and supporting disease and chronic care management. It's a distinctive, mission-driven position dedicated to providing essential support for those in our care.

"We firmly believe that clergy members should receive the same level of care that they have selflessly provided to countless individuals throughout their years of service."

Interested applicants can apply by sending a resume to cspiegel@metacareusa.com or Call (631) 245-0532. www.etacareusa.com

Thank you St. John Paul II Family for your prayers, letters of support and physical presence at the October 1st Planning Commission Hearing! Because of you, our church site plan was approved and will move forward to a future City of Thornton Council meeting. Your positive letters and public comments were a true gift to the Planning Commission who usually receive negative feedback and hostile comments. Inspired by the Holy Spirit, your positive and supportive encouragement filled many hearts with hope! Please keep praying for the construction of our church and we'll let you know when our site plan will be presented to City Council.

A Simple Theology

Think for a moment: St. Joseph and the Virgin Mary lived out their daily life while in complete adoration of God.

St. Joseph worked to protect and provide for his wife and son in adoration. Mary lived out her daily work to comfort and care for her husband and son in adoration. We are also called to live like the Holy Family. To do our daily work for the love of the other is to adore God. For loving the other is love Christ. **Courage!** Life can be difficult; but reach out to St Joseph and Mary, they are waiting for you with arms open and ready to help you.

**"When husband and wife are united in marriage, they no longer seem like something earthly, but rather like the image of God Himself."
St. John Chrysostom**
